RDC is a registered not-for-profit dedicated to using the universal language of percussive music for creative self-expression. Thru community drumming, we encourage cultural awareness, embrace diversity, and promote harmony.

Our goals are to utilize the spirit and magic of rhythm to promote communication and participation among all participants regardless of age, gender, race, religion, or sexual orientation, to help foster a sense of community, to promote health and well-being, and to encourage positive personal interaction.

No experience is necessary. Everyone has something to offer the circle and all are welcome. Loaner drums are available - feel free to drop by and sit in.

For more information, come join us, email djembe_g@yahoo.com or call the park at 919-233-2121.
